01 Welcome!

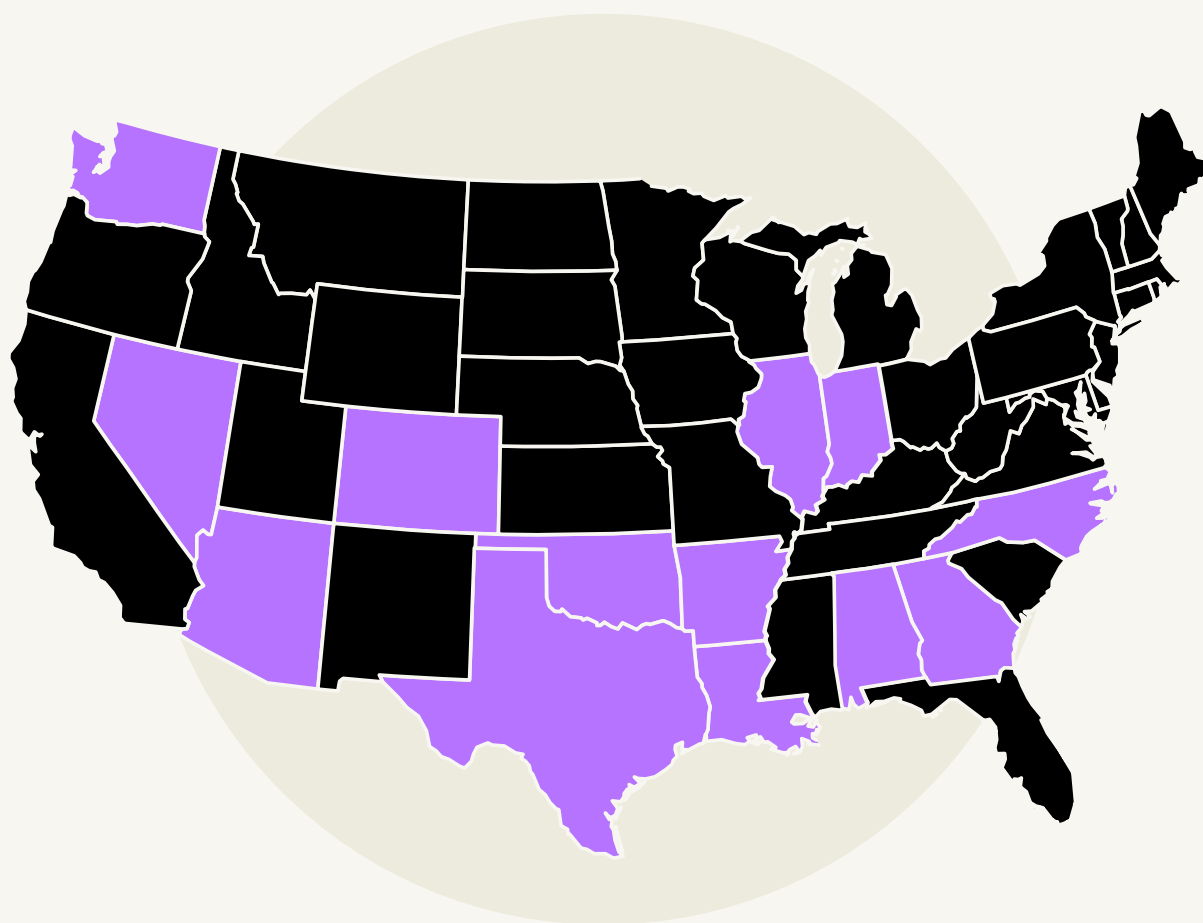

About Zollege

Power Your Possible.

Zollege is a healthcare career school that offers hands-on, skills-based training programs in medical and dental assisting that unlock a pathway to a future in healthcare. Zollege offers 12-week dental and 24-week medical assistant programs that combine interactive learning and real-world experience. Our accelerated training programs are taught by experienced medical and dental assistants and offer a comprehensive education that prepares students for the workplace. Our students learn top-rated curricula from passionate medical and dental assistants. We connect learning and real-world experience through engaging coursework and labs taught in active medical and dental facilities.

↓ Nationwide Locations

We have dental assistant programs in the following states:

- Washington
- Nevada
- Arkansas
- Colorado
- Texas
- Louisiana
- Oklahoma
- Arizona
- Georgia
- Illinois
- North Carolina
- Alabama
- Indiana

02 Why Choose Zollege?

Dental Assistant Program Benefits

Flexibility

Hybrid Classes

Our convenient classes make it easy to work around your busy schedule. You'll build confidence in your knowledge before class through online coursework modules and readings, and master your technique in-office on evenings and weekends with plenty of repetition and guidance from our instructors.

Accelerated Program (12 Weeks Long!)

Our students complete our program confident and excited about their new careers. We stick to teaching you exactly what you'll need to know to be successful in the field.

Accessibility

Flexible Payment Plans

Our program enables students like you to explore the dental assisting field without a hefty investment. Our customizable payment plans and pre-payment plans allow students to start paying earlier toward a future start date, resulting in lower weekly payments. Students can even build their own plans entirely online with our payment plan calculator!

Experience

Hands-On-Learning

We provide hands-on training in an actual dentist's office to help you practice and retain information better. Learning in the environment that you will work in gives you an advantage when you start your new career.

Real-World Experience

The 40-hour externship portion of our course allows our students the opportunity to work under the direct guidance of experienced dental professionals in a local dental office.

Experienced Instructors

We hire the most qualified and experienced instructors in town. All of our school instructors are either distinguished dental assistants or dental professionals.

Student Support

Student Advisor

Your dedicated Student Advisor will be by your side throughout the entire program. They will be ready to assist you with any questions, concerns, or challenges you may encounter, ensuring that you have the guidance and support needed to achieve your goals.

Career Support

Career Readiness

Our program includes resources to help power your job search. You'll create a professional resume and participate in a mock interview to build confidence and showcase your new skills!

Student Testimonials

Best place to fast track into a new career.

"Best investment I could have made for myself. Best place to fast track into a new career. The instructors were amazing. I felt heard, and I loved the small class size. My concerns were always addressed, and I felt prepared for real-life scenarios. You truly can take charge of your learning. The combination of virtual and in-class made sense for me, and my learning style. If you are interested you should definitely inquire. Happy to say I'll be graduating with a job secured."

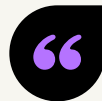

- Zollege Dental Assistant Program Graduate

I couldn't have asked for better teachers.

I absolutely loved being part of this school. I couldn't have asked for better teachers. They were professional while making it fun to learn. They are very positive and answered every single question I had. After the course I felt prepared and ready to start my career. If you're thinking about becoming a dental assistant, this is 100% the school for you."

- Zollege Dental Assistant Program Graduate

Beyond happy with my experience!

"Beyond happy with my experience! I have found each of my instructors are not only communicative of course material, class structure and expectations, but they are also incredible at remaining personally available for the individual learning needs of the students. I would absolutely recommend this program to those interested in becoming a future dental assistant!"

- Zollege Dental Assistant Program Graduate

03 What To Expect

Program Details

Program Goals

Students will be trained for the purpose of preparing for entry-level positions that are normally available in a variety of dental facilities.

Program Length

The program is 12 weeks long and includes a 40-hour externship to equip students with the necessary skills and knowledge to excel as dental assistants.

Program Format

The class format includes online learning modules throughout the week to prepare students for in-person labs in a real dental office. Online learning modules feature a mix of interactive videos, activities, video lab demonstrations, and more to prepare students for their in-person labs. Students can expect to spend approximately 4.5 hours engaging in hands-on labs each week for the duration of the program.

Program Topics

During the course of the program, students will learn everything they need to know to become successful dental assistants, including how to:

- Properly Use Personal Protective Equipment
- Prepare and Breakdown the Dental Operatory
- Follow Dental Office Sanitization and Sterilization Protocols
- Identify Dental Instruments and Accessories, and Their Uses
- Identify Dental Anatomy Components
- Perform Chairside Duties, Including Instrument Transfer and Moisture Control
- Fabricate Temporary Crowns and Bleach Trays
- Digitally Chart Existing and Planned Treatment
- Capture Clinically Acceptable Radiographs Included in a Full Mouth Series of X-Rays
- Capture Clinically Acceptable Alginate Impressions
- Pour and Trim Diagnostic Models

Externship Details

There is a 40-hour required externship portion of the course to help students reinforce their hands-on learning. In addition to this minimum requirement, students may choose to complete more than 40 hours, as these hours can improve their hands-on skills and look great on their resumes.

Program Outcome + Certificate Awarded

Once all requirements have been met, students will receive a Certificate of Completion and will leave the program with the knowledge, skills, and experience needed to begin a successful career as dental assistants

**Laws vary by state. Our team will work with you to ensure you get what you need to become a dental assistant. Zollege does not guarantee employment to students or graduates.*

04 Financial Investment

Tuition Payment Plans + Methods

Tuition

Tuition costs vary by location. You may view the specific tuition costs for your school on its individual website, or you may check with the Admissions Advisor for your desired school.

Payment Plans

Standard Payment Plans

We offer multiple payment plan options, including an option to pay your tuition before you graduate!

Custom Payment Plans

We also offer custom payment plans to suit your needs. You may utilize our payment plan calculator to design your own weekly payment plan to fit your budget. Alternatively, you may contact an Admissions Advisor to create a plan that works for your unique needs and budget.

Payment Methods

We accept most major credit cards and ACH checks. Payment is due in order to be registered for class, and registration closes five (5) business days before training begins.

Note: We do not accept cash. All payments should be made through our website or over the phone. We do not accept payment at the physical school location.

05 Next Steps

Admissions Requirements

The requirements for admission are as follows:

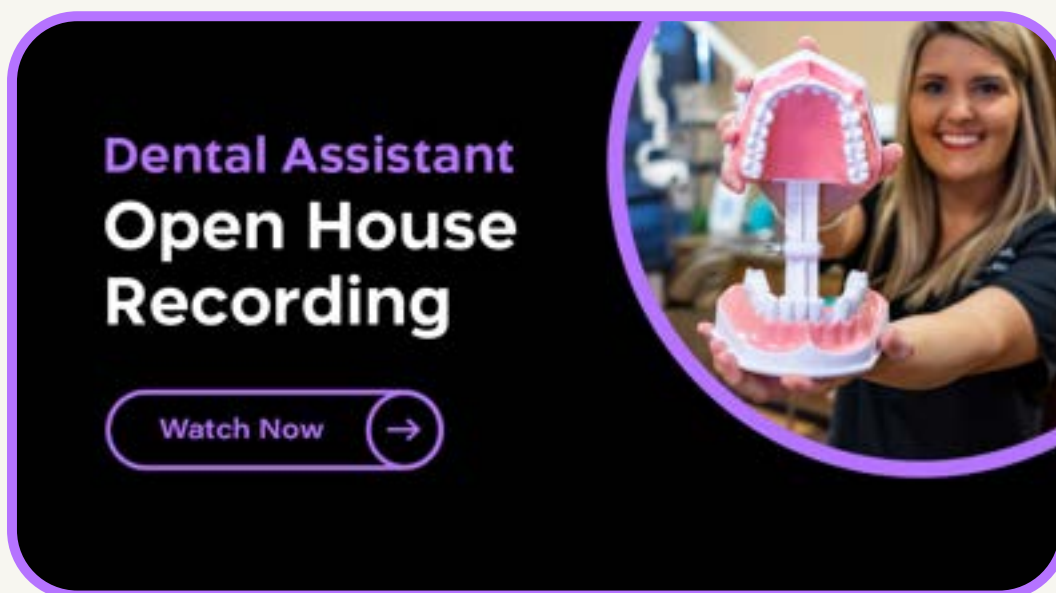

- **Minimum Age:** Must be at least 17 years of age (applicants under the age of 18 require written permission from a parent or legal guardian in order to enroll).
- **Education:** Must present proof of secondary education (high school diploma or transcript, or high school equivalency). **The state of North Carolina requires a transcript as proof.*
- **Identification:** Furnish a valid driver's license, state ID, or passport.
- **Immunization:** Provide a copy of your shot records (or sign a Vaccination Declination Waiver) to include:
 - Hepatitis B
 - Tetanus-Diphtheria-Pertussis (TDP)
 - Measles, Mumps, and Rubella (MMR)
 - Varicella

**Additional requirements may apply per state. See additional details in the application for your desired program location or contact an Admissions Advisor with questions.*
